Product description

QVT-CLICK is a circular split frame for quick and easy installation of cables or complete cable harnesses.

The QVT range is especially suitable for small machines, devices and instruments, because of the extremely small structure.

Advantages

- Compact and small structure
- Routing of pre-terminated cables
- Warranty of pre-terminated cables remains
- Retrofitting and maintenance can be carried out easily and quickly
- Suitable for metric or standard hole sizes
- Assembly within seconds
- For wall thickness 1.5 - 2.5 mm
- Quick and easy assembly from the front side
