LED Work Light

LED

ø71

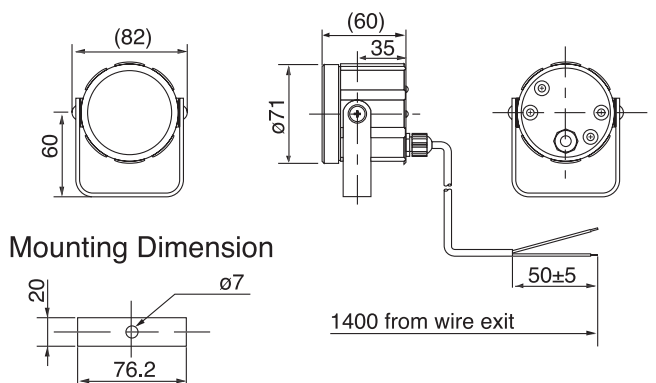

IP65f

LED Work Light designed for applications to machine tool, inspection and processing industries.

- Enhanced Illumination: Use of ultra-bright LEDs.
- Extended Product Life: Even in harsh environment.
- Energy-Efficient: Low consumption and less build-up heat.
- Installation: Upright, inverted, sideways.

Dimensions

(mm)

CLE type

Model	Rated Voltage	Power Consumption	cd	Mass
CLE-24	DC24V	3W	20cd	0.3Kg
CLE-24N	DC24V	3W	130cd	0.3Kg
