Dual-face reflector

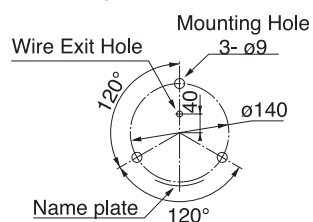

Large Revolving Warning Light featuring powerful flash using dual-face reflector.

- Dual-face reflector: For powerful rotary flash.
- Rotary Mechanism: Belt-drive, for extremely quiet and stable rotation.
- Compact Motor: Higher durability and energy-efficient.
- Extended Product Life: Vibration resistant and reliable under severe cold environment (-30°C).
- Installation: Indoors—upright, inverted, sideways; Outdoors—upright only.
- Main Body: Corrosion-proof stainless body (SUS304) as lens mounting fixture.
- Dome: Superior weather-resistant and light translucent acrylic resin.
- Available Colors: Red, Amber, Green, Blue.
- CE compliance: DC12V,24V type only.
